- b) Professional experience (most recent first, with exact dates in format dd/mm/yyyy);
- 9 c) Education, including PhD award date (most recent first, with exact dates in format: dd/mm/yyyy).
- 10 The CV should include information on:
 - Publications in peer-reviewed scientific journals, peer-reviewed conference proceedings, and/or monographs (they are expected to be open access either published or through repositories) and other outputs such as data, software, algorithms significant for your research path (they are expected to be open access in appropriate repositories to the extent possible; they should be accompanied by a very short qualitative assessment of their scientific significance and not by the Journal Impact Factor);
 - Invited presentations to internationally established conferences and/or international advanced schools;
- Organisation of international conferences, including membership in the steering and/or programme committee;
- Research expeditions led by the researcher;
- Granted patent(s);
- Examples of participation in industrial innovation;

- Funding received so far;
- Supervising and mentoring activities;
- Other items of interest.
- 26 Applicants who have successfully defended their doctoral thesis before the call deadline but who have not
- yet formally been awarded the doctoral degree must clearly indicate the date of the successful PhD defence
- 28 ("viva"). Researchers having their last thesis defence after the call deadline will be automatically declared
- 29 ineligible for this call.

5 Capacity of the Participating Organisation(s)

- 31 Please provide an overview list of all participating organisations (the beneficiary and, where applicable, all as-
- 32 sociated partners) using template table 5.1 below, and more detailed information for each of the participating
- 33 organisations (using a separate table for each organisation) using template table 5.2 below.
- 34 Any inter-relationship between the participating organisation(s) or individuals and other entities/persons
- 35 appearing (e.g. family ties, shared premises or facilities, joint ownership, financial interest, overlapping staff
- or directors, etc.) must be declared in the proposal.
- 37 Applicants should provide additional information regarding the administrative/legal relations between the
- department carrying out the work as described in the table below, and the entity/entities mentioned in Part A
- of the proposal (i.e. linked to the given Participant Identification Code PIC).
- 40 Should the proposal be shortlisted for funding, all participating organisations will have to be registered
- 41 with the European Commission's Participant Register Services. Therefore where this information is already
- known, please provide in Table 5.1 the (draft or validated) nine digit Participant Identification Code (PIC)
- 43 for the beneficiary and, where applicable, each associated partner.

8 Letter(s) of commitment from as sociated partners (only for hosts of outgoing phase of Global Fellowships or non-academic placement)

- Use this section to add scanned copies of the letter(s) of commitment, if applicable.
- 64 Minimum requirements:
- With heading or stamp from the institution;
 - Up-to-date document, i.e. not dated prior to the call publication;
- Demonstrating the will to actively participate in the (identified) proposal;
- Explanation of the precise role.
- 69 Any additional information the organisation deems useful can be added in the letter.
- Note that the expert evaluators will be instructed to disregard the contribution of any associated partners for
- vhich no such evidence of commitment is submitted.
- 72 In case the letter fails to provide enough information on the associated partner's role and/or enough as-
- 73 surance of their commitment in the project (e.g. no signature, wrong proposal references, outdated let-
- 74 ter...), the experts may penalise the proposal on these aspects under the implementation evaluation cri-
- 75 terion.
- For GF proposals, and for all proposals requesting a non-academic placement, the absence of a letter of com-
- 77 mitment will render the proposal inadmissible and the proposal will not be evaluated.

78 Non-binding example of template letter of commitment for PF associated partners

- 79 I undersigned [title, first name and surname], in my quality of [role in the organisation] in [name of the
- 80 organisation] commit to set up all necessary provisions to participate as associated partner in the pro-
- 81 posal [proposal number and/or acronym] submitted to the call HE-MSCA-PF-2022, should the proposal be
- 82 funded.
- 83 On behalf of [name of the organisation], I also confirm that we will participate and contribute to the research,
- innovation and training activities as planned in this project. In particular, [name of the organisation] will be
- 85 involved in [free field for any additional information that the participating organisation wishes to indicate
- 86 in order to describe its role and contribution to the project].
- 87 I hereby declare that I am entitled to commit into this process the entity I represent.
